sculpture projects muenster 07 in collaboration with the Academy of Fine Arts, Muenster

The concept underlying *sculpture projects muenster 07* includes collaborative efforts that will prepare for and accompany the exhibition. The supporting program will begin with a Preview titled "Vorspann", a lecture series organized in collaboration with the Academy of Fine Arts, Muenster, supported by the "Freunde der Kunstakademie".

During the summer semester 2006 and the winter semester 2006/07, ten of the artists involved in *sculpture projects muenster 07* will give public lectures in which they will talk about their work. The artists will further elaborate on their subjects in workshops held for students of the Academy. Internationally renowned artists will enter a dialog with art students as well as the larger public.

The events will be organized by Dr. Brigitte Franzen, curator of the *sculpture projects muenster 07* at the Westphalian State Museum for Art and Cultural History, and Dr. Hildegund Amanshauser, Professor of Art History/Art and the Public at the Academy of Fine Arts, Muenster. A publication of the lectures and workshop contributions is planned for February 2007.

Dates for the summer semester 2006 series are:

23 May 2006	Eva Meyer/Eran Schaerf - Berlin
30 May 2006	Martin Boyce - Glasgow
13 June 2006	Dominique Gonzales-Foerster - Paris
20 June 2006	Deimantas Narkevicius - Vilnius
27 June 2006	Guy Ben-Ner - Tel Aviv/New York
4 July 2006	Susan Philipsz - Berlin

The lectures will take place on Tuesdays, 6 to 8 P.M., in the lecture hall of the Academy of Fine Arts (first floor), Leonardo-Campus 2, in 48149 Muenster.

Admission is free but the number of seats is limited. Most of the lectures will be conducted in English.
